

Financial Information 2020

The EU EYE (European Alliance for Vision Research & Ophthalmology) is an independent non-profit organisation, registered under Belgian law as an AISBL (*Association internationale sans but lucratif*). The EU EYE is an alliance of organisations representing subspecialties of ophthalmology disseminating strategic information to its member organisations (email alerts and specific briefings on emerging topics, regular policy updates, training materials).

The EU EYE has adopted a membership business model to fund its advocacy activities at EU level. Membership fees are paid annually by each member organisation; the fee is calculated on the basis of number of events organised by each member organisation and number of event participants. The total contribution of membership fees represents 100% of the total income. The budget covers core activities aimed at increasing awareness about research in vision science and ophthalmology and improving eye health in Europe.
